# Nine O' Clock in the Morning

By Dennis and Rita Bennett

## Book Review

Our bookstore, that is open every Sunday morning before and after our Service, is able to order and supply books for you at very reasonable prices. With Christmas coming up, a good book makes a great present. Please visit Lesley on Sunday.

Today, I want to recommend a book to you called "Nine O'clock in the Morning" by Dennis Bennett. It's an old book but a very easy and worthwhile read. It was one of the first books I read when I became a Christian. It was right for me because I came from a "High Church" Catholic background and this book deals with charismatic revival within the Episcopal church on the US West Coast. For someone who wants their mind opened to the truth of the baptism of the Holy Spirit, this is the book for you.

The book is the story of what took place in Dennis Bennett's church in Van Nuys, CA., after he preached a Sunday morning sermon on April 3, 1960 about the underground Pentecostal Movement that was quietly racing through so many churches in America. When he then announced that he, himself, had spoken in tongues, an instant explosion went off in his church. The story was later carried in the local newspapers, various wires services picked it up, and the news swept the country. Time carried the story. So did Newsweek.-Probably not a book for advanced theologians, but it's great for new Christians as it's a kind of beginner's book for people who've never been exposed to the movement of the Holy Spirit, or for people who don't believe in it. Written about events in the early to mid 60's, it is definitely a great introduction. Dennis Bennett does a good job of showing the excitement of his new knowledge and experience and also the marvellous effects that the Holy Spirit has on the lives of believers and those they know.

Someone who became a Christian through this book wrote, "A memorable book as a new Christian. Through this book I asked the Lord to be baptised in the Holy Spirit. It changed my life and was so wonderful waiting upon the Lord and then it was just wonderful!!" This is also a fun read and a wonderful book about a man who meets the Lord out of the blue - face to face! Enjoy the read. Mike
