THE ALPHA COURSE

explore the
meaning of life!

Most people come on Alpha because of a personal invitation. We'd love to encourage you to invite your friends to try Alpha. Our next Alpha course starts on Thursday 9th January here at Ollerton and also at Church Warsop. We start at 7.00 pm.

The Alpha course is a series of interactive sessions that freely explore the basics of the Christian faith. People are encouraged to find meaning in life through a relationship with Jesus Christ. There is an atmosphere of acceptance, no "hard sell" and no pressure. Every opinion is valued and all questions are welcomed.

The format of the evening is very simple:

- There will be a meal which is free to guests.
- You will listen to a short talk or presentation.
- This is followed by cake and a discussion.

Cathy's Story: *"I decided to participate in the Alpha series as a way of staying connected to my church. It turned out to be one of the best decisions I ever made! The sharing of our faith, each other's struggles and successes, and sense of belonging was a wonderful journey each week."*

Chad's Story: *"Alpha was an unexpected, impactful experience. I came to the first session thinking that I would be helping others find a relationship with Jesus... but, I found that my own relationship with Jesus was strengthened. From the first session- I was all in! The food and fellowship made for a memorable time. I would recommend Alpha to anyone - both the interested and the well versed - Come and see! I would strongly recommend this program to every Christian. And.... the meals we shared were fabulous too!"*
